

## MOB RAIDED COMMUNISTS

Sacked Their Headquarters and Burned Articles at Oakland, Calif.

EX-SERVICE MEN TOOK QUICK ACTION

Their Work Was All Done Before Arrival of the Police

Oakland, Cal., Nov. 12.—A crowd of citizens entered the headquarters of the communist labor party early to-day and wrecked the interior of the place. Large quantities of radical literature, red flags and furniture were burned in the streets by the mob.

The mob was said to have consisted of 400 former service men and members of the American Legion.

The offices of the "World," a Socialist organ situated in the building, also was wrecked.

The communist labor party is said to be a new radical organization here. The wrecking of the committee's headquarters was carried out in methodical fashion and with such swiftness that by the time the police arrived on the scene the crowd had dispersed and none could be identified as having been connected with the raid.

won the recent army trans-continental airplane race with the shortest elapsed time—nine days, four hours, 26 minutes and five seconds—according to an official decision of the war department, announced here last night at the American Flying club's "armistice day" dinner. On actual flying time, however, Maynard was fifth to Lieut. Alexander Pearson, who spent 48 hours, 57 minutes and 16 seconds in the air.

## FOGGY?

If Bilious, Constipated or Headachy take "Cascarets."

To-morrow the sun will shine for you. Everything will seem clear, rosy and bright. Your system is filled with liver and bowel poison which keeps your skin sallow, your stomach upset, your head foggy and aching. Your meals are turning into poison, gases and acids. You can not feel right. Don't stay bilious or constipated. Feel splendid always by taking Cascarets occasionally. They act without griping or inconvenience. They never sicken you like Calomel, Salts, Oil or nasty, harsh pills. They cost so little too—Cascarets work while you sleep.—Adv.

## CRAFTY GAME BY GODDARD

Enabled Seminary to Win Over University of Vermont Freshmen, 20 to 0

HOME TEAM BETTER ON GENERAL PLAYING

Visitors Showed a Flash of Speed in the Last Quarter

Almost two hours passed yesterday afternoon before the game between Goddard and the University of Vermont of the University of Vermont concluded with Goddard the decided winner. The score for the football game ended 20-0; and this score symbolizes the superiority of Goddard in the rugby tactics.

This exploit mention of rugby is made because there are many field encounters among the opposing players. This, together with the wet, muddy field, prolonged the game considerably.

The home team cleanly outplayed the freshman team of the university, and Barre followers had an opportunity to see some good players in action, especially among the Goddard men. In speed, plays and line work they were the superior. This was the second time the Goddard team had played in a school game on the home grounds, most of their games having been out of town. From the very instant the whistle blew for the first kickoff they played with energy and a great amount of "pep" and fight.

At the outset Goddard kicked to the university men. Hinchey of Vermont carried the ball to the 40-yard line vicinity. Americo Polli, the Goddard right halfback, broke through the line on the next play, passing them to lose several yards. Failing to make the down, a punt was made. Goddard then attempted a long pass which failed but Wood ploughed through the lines for a 30-yard gain on the next play. Kelly droppedkicked from the 22-yard line, the ball going wide of the goal. The ball was then taken to the 20-yard line as Vermont's ball. Again that team failed to make the down. The ball went to Goddard.

Left Tackle A. Thompson on an end run gained 15 yards. Kelly then made a long pass to "Tug" Slayton, who caught the ball and slipped when he was seven yards from the goal. Sullivan made the first touchdown by breaking through tackle with his characteristic hard line plunges. All during the game he was a conspicuous ground gainer, for he is light of foot and keen of eye when going through defensive lines. Thompson kicked the first goal.

Just as the home team worked in the first period so it continued through the other three 15-minute quarters. In the second period another touchdown was made by Sullivan after he picked his way through his opponents on the 15-yard line. Thompson failed on the second kick.

In the third period Goddard received, but on account of the wet heavy ball the kickoffs were low and short. Sullivan and Gaughan shortened the space between their line and the goal posts by end runs, the latter gaining nearly 25 yards. Three successive downs were made and when about two yards from the goal line the ball was lost to Burlington after the last down measured just six inches short of the 10 yards.

Quarterback Kendrick of Vermont then pretended to punt but ran with the ball, gaining about 10 yards. He was forced to punt, however, soon after and the wet heavy ball whirled but a few yards in the air. Here Freeman was substituted at left halfback for Kelly. His effectiveness was apparent, for he, with Sullivan, brought the ball again near the goal. Sullivan made the third and last touchdown. Thompson kicked the last goal.

In the last period the Vermont men came back with a flash of speed and gained considerable ground only to lose when near the goal. Kendrick, Mitchell and Irons fought hard for the game. Irons, a former Montpelier seminary athlete, well known for his sprinting ability, was carrying the ball at various times but his speed was always cut off by a tackle from some one of his opponents. To add to the interest of the university lineup were two Barre players, Marr and Cruickshank, both linemen.

McMahon, the husky center for Goddard, played a wonderful game both in defensive and offensive. Time and time again he furnished for the Goddard runner excellent interference and made some commendable tackles. He and Sullivan were the two shining stars of the game. The score:

Goddard. U. V. M. Freshmen.  
McMahon, c. .... Sullivan  
E. Thompson, lg. .... Murch  
A. Thompson, lt. .... Adams  
Gaughan, le. .... Marr  
Poster Slayton, rg. .... Summerell

Substitutes for Goddard, Garwood for McMahon, Sector at left tackle, Keizer at left guard, Long at left end, Flannigan at right end, Keller at right tackle, Willet at left guard, Freeman at left halfback for the freshmen, Holloway for left halfback, Flanders for right end, Cruickshank for left end, St. Cyr and Sugg at left tackle; referee, Edward Ralle, Bowdoin; umpire, Granni, Montpelier seminary; timekeeper, F. W. Hall, New Hampshire State; head linesman, John Holcomb.

### AMUSEMENT NOTES

"The Flirting Princess" Coming to the Barre Opera House Monday, Nov. 17.

His royal nibs, Harry Bulger, the king of musical comedy, will be seen here in his latest success, "The Flirting Princess," at the opera house on Monday, Nov. 17. He created a record for Chicago in this, his greatest vehicle, playing a full year and continuing through the hottest summer weather, at the LaSalle theatre, within the "loop." Bulger has long been known as America's leading comedian in musical comedy.

With a galaxy of beautiful girls "twenty in their teens" a splendid cast of musical comedy favorites, a marvelous production, containing the acme of perfection in scenic investiture and costuming. Mr. Bulger is creating new records for patronage in this season of golden opportunity.

## Mother! Be Watchful of a Growing Baby's Teeth

However neglected you may have been of your own teeth, you owe it to your children to see that they take care of theirs. When epidemics like influenza and spinal meningitis come, children who have clean mouths are most likely to escape.

Dr. H. T. Walker of Denison, Tex., always advises Albodon Dental Cream, and Mrs. H. B. Butler, a dentist's wife of Ogdensburg, N. Y., uses it exclusively for herself and young daughter. Albodon is calcium carbonate, saponified and mixed with the well-known oils of cloves, cinnamon and eucalyptus, which authorities declare is the effective and safe composition for women and children.

A tube of this fine cream can be bought for 25c at any drug or department store. The most discriminating families use Albodon, and cannot be misled into thinking that higher-priced articles can have greater merit.

## BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success.

They do all the good that calomel does but have no bad after effects. No pain, no griping, no injury to the gums or danger from acid foods—they stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "lumpy" and "heavy." Note how they clear clouded brain and perk up the spirits. 10c and 25c a box.

# Old Put's closest shave

ON the morning of February 26th, 1779, General Israel Putnam, the lion-heart of the American Revolution, stood before a mirror in the home of General Meade in Greenwich, Connecticut, his good, old-fashioned razor poised for the first long, shearing stroke. Suddenly he saw in the glass the figures of enemy cavalry sent to capture him. Acting for once in his impetuous life "on reflection," he leaped on his horse, his face still white with lather, and escaped down the perilous rocky stairway on what is now "Put's Hill"—to alarm his soldiers and disperse the enemy.

To just such rugged characters we owe the precious liberty that we have been helping to secure for the world today. And to just such common-sense razors as "Old Put's" we owe the most convenient and safest of all modern shaving implements—the guarded and detachable double-edged blade of the
